FIG. 3

INSTRUCTIONS:

1. Fill out information on the left. Check how you wish to receive your results (mail, fax or e-mail).
2. Locate plastic sheet with five STICKY TAPES. You will return 3 tape samples. Two tapes are extra to be used only if a mistake is made. **Peel off one STICKY TAPE** at a time holding it by the curved tab (do not touch window with fingers).
3. Lightly touch the sticky side of the STICKY TAPE to the surface being tested once or twice and then remove. The STICKY TAPE should show a light visible deposit.
4. Place STICKY TAPE onto the jumbo slide on this card, located directly below.
5. Write the sample number on the STICKY TAPE (#1 thru 3).
6. Write room & object sampled on corresponding lines of card.
7. Repeat steps 2 through 5 for next two samples.
8. Sign and date on lines provided at the bottom of this card. Fold card & place in the postage-paid envelope.

WRITE TAPE # ON TAPE
AFTER PLACING ONTO SLIDE

Diagram of the JUMBO SLIDE showing three application areas for STICKY TAPE. The slide is a large rectangle with a dashed border. Inside, there are three smaller rectangles, each labeled "APPLY #1 STICKY TAPE HERE", "APPLY #2 STICKY TAPE HERE", and "APPLY #3 STICKY TAPE HERE". Arrows point to the right side of each rectangle, labeled 240. The top-left corner of the slide is labeled 220, the top-right corner is labeled 230, the bottom-left corner is labeled 230, and the bottom-right corner is labeled 23. The left side of the slide has three arrows pointing right, labeled 210, 210, and 230. The top edge of the slide has a dashed line labeled 231.
